Kerry Blues LOVE Agility!

K9s in Motion Agility Training

Dana Pike is the owner and training director of K9s in Motion Agility in the Chicagoland area. Although she is very competitive (as are some of her students), most are there just to have fun and bond with their dogs. She feels that the most important aspect of dog training is for both people and dogs to be having fun while learning!

She has been involved with dog training for most of her life. Before she had her own dogs to train she was adopting strays or borrowing friends' and neighbors' pets. Dana began agility training 10 years ago with her first Bernese Mountain Dog, Riley. Since then she has trained and titled five of her own dogs from the Working, Herding, and Terrier Groups, earning over 80 agility titles to date

Dana and her Jack Russell Terrier "Maybie" won the 12" USDAA World Agility Competition and completed her USDAA Agility Dog Champion title in 2000.

"Ticket", Dana's Border Collie, won the 1999 20" Puppperoni Classic Agility event and the following titles: NAJ, NAG, NAC, NA, NAJ, OA, OAJ, AX, AXJ, MX, MXJ, AD, AAD, MAD, SM, JM, GM, RM, U-AGI, U-AGII.
